(720) 423-9500 x. 39496

Greetings 6th Grade Families,

I am writing to inform you of the recent resignation of Ms. Katelyn Bond, 6th grade Math teacher. Ms. Bond resigned for meaningful and personal reasons and wanted to express her heartfelt gratitude to you, her community, for all of your support throughout this school year. Although we will miss Ms. Bond, we wish her nothing but the best on her new ventures. Some of you may have heard this information from your scholars, but I wanted to formally address the community to inform of you of upcoming plans related to Ms. Bond's classes. Currently, I am working with members of the Math team, which includes the building Math Senior Team Leader, to support instruction while we search for a permanent instructor for the class. In the interim, Mr. Matt Mantell, fellow 6th Grade Math teacher offers after school tutoring on Tuesdays and Thursdays from 3:15pm-4:15pm should you feel your scholar needs additional assistance and/or practice. I will continue to update the community on the progress related to the search (and any connected changes) and I welcome your feedback. Please do not hesitate to reach out to me at Whitney_Weathers@dpsk12.org with additional questions.

Thank you,

Whitney Weathers, AP of Teaching and Learning
