

March 14, 2018

Good afternoon Hamilton Families,

Today during lunchtime, we did have a minor fire on the dry grass of the recess field. Please know that all students and staff are safe. We are working with the fire authorities to investigate the cause. Please take this opportunity to speak with your students about bringing flammable materials to school. Lighters are not allowed on school grounds. Please reach out to us with any questions [carolyn\\_leahy@dpsk12.org](mailto:carolyn_leahy@dpsk12.org).

Regards-

Dr. Christian Sawyer  
Hamilton Middle School Principal
