

YOUTH CHALLENGE

20 23

INSPIRING DENVER'S YOUTH TO DO MORE THAN JUST DREAM!

This six-day overnight camp for boys is held in the mountains outside of Estes Park, Colorado at Cal-Wood Education Center. Teens get to leave behind their perceived limitations, labels, their overwhelming circumstances and get a chance to see their lives through new eyes.

Throughout the week campers learn respect for themselves and others. They build a supportive, open, and loving community amongst themselves. When they return home, they know that they have a support system available and ready to help guide them through the challenges of their daily lives.

CAMP DETAILS

DATES:

June 11th – June 16th

AGES:

13 – 15

PICKUP / DROP OFF:

Denver West
High School

The activities support the campers in gaining personal experiences, understanding teamwork, and learning to trust themselves and their peers.

The activities promote the breakdown of ethnic barriers and the discovery of how similar we really are.

The campers get a chance to see what is possible if they push themselves one step more, creating a new concept of how capable and powerful they are.
