

Artistic Explorers Spring Break Art Camp

Prismajic's Artistic Explorers is an art focused exploratory camp taught by the talented artists that created *Shiki Dreams*, Prismajic's award winning permanent immersive art experience located in Colorado Mills Mall.

Each morning the explorers will wander in *Shiki Dreams* to kick off the ideas for the 2 following classes: **Cynotype Photography**- (using UV light to create images) and **Sculpture** where the kids will create their own creatures of the forest that can be seen in the *Shiki Dreams* experience.

Lunch is included with the camp. Lunch will be lunchable style with meats and cheeses and a sandwich option of ham and cheese or peanut butter and jelly unless nut allergies. If your child has allergies and needs to bring their own lunch please let us know.

Our teachers, Tracy and Rhonda, are experienced, working artists who worked on *Shiki Dreams* and *The Night Owls* and have extensive experience teaching art.

Camp will be held from 9am to 3pm on:
