

FLAG Financial Assistance

WorldStrides believes that every child should have access to the benefits of educational travel. To support this vision, our team established the FLAG Foundation, a 501(c)(3) non-profit organization that provides financial assistance to students. This year, more than \$1 million in financial assistance is available for qualifying families with adjusted gross incomes (AGI) up to \$85,000. Thousands of families have benefited from the need-based FLAG program after completing a confidential, simple application.

Applying for FLAG financial assistance is easy and confidential. The application only takes a few minutes but must be completed within 45 days of registration. Families can refer to the flyer enclosed in the student invitation or contact WorldStrides' Customer Service team at 1-800-468-5899 for more information.
